BACHELOR OF SCIENCE (HONS) IN GAMES TECHNOLOGY

## ABOUT ME

I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines. Moreover I am outgoing, dedicated, and open-minded. I get across to people and adjust to changes with ease. I believe that a person should work on developing their professional skills and learning new things all the time. Moreover, I am dedicated and innovative programming graduate with a passion for game development. Proven leadership capabilities with a propensity to take initiative and seek out new challenges. Experienced in planning, designing, and producing video games for various platforms. Proficient in creating visual content and implementing features and functionality through coding. Skilled in modern technologies including C# and C++. A team player with strong communication and interpersonal skills, capable of working independently and multitasking effectively.

## CAREER OBJECTIVE

To secure a challenging software development position that leverages my strong programming skills and problem-solving abilities. I am eager to contribute to innovative projects, collaborate with talented teams, and continuously learn and grow in the dynamic field of software engineering. My goal is to utilize my technical expertise to create efficient, reliable, and user-friendly software solutions that drive business success.

## ACHIEVEMENTS & CERTIFICATES

- Introduction to C++ Programming and Unreal(Coursera)
- Introduction to C# Programming and Unity (Coursera)
- Certificate In Japanese Language (OASCO Institute)
- Certificate In Chinese Language (Regent Language School)
- Final Year Project: Best System Presentation
- Academic Excellence University Award
- Participated as an Actor in a University Project and on a TV program
- Participated in a Community Service Project
- Team Player in Basketball and Tennis sports
- Participated in the University Multi-Cultural Festival

## SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management - always meet the dateline
- Leadership
- Effective Communication
- Critical Thinking
- Digital Marketing
- Negotiation
- Fast Learner and result Focused
- Able to accept Correction and Adaptability
- Punctuality with good attendance
- Always committed and responsible
- Good working habits- cleanliness and tidiness
- With a good sound mind in problem-solving and with a creative mind.
- Strong communication skills able to communicate with all levels of people

## COMPUTER KNOWLEDGE

- Microsoft Office 90%
- Game Developmet 95%
- Programming knowledge 100%

## ADDITIONAL INFO

- Posses own transport : YES
- Expected Salary : Negotiable

## REFERENCE

Mr Thrishneshvarr Nageen A/L Anantharajan  
Programmer  
Phone: +6018 2514022  
E-mail: thrish81@gmail.com

## HIGHLIGHTS

- Proficient in programming languages: C#, C++, C, HTML5.
- Familiarity with game development engines: Unreal Engine, Unity.
- Strong understanding of software testing principles and methodologies.
- Experience in system administration and data management.
- Proficient in Microsoft Excel for data analysis and organization.
- Excellent communication and interpersonal skills.
- Strong problem-solving abilities and critical thinking skills.
- Proven leadership capabilities with a proactive approach.
- Organized with exceptional coordination skills.
- Dedicated team player committed to excellence and continuous learning.

## WORK EXPERIENCE

ZAVY TECHNOLOGIES, MALAYSIA - JUNE 2022 - SEPT 2022  
SYSTEM IT ADMINISTRATOR  
(INTERN)

- Implemented system monitoring and performance optimization strategies to improve system uptime and performance.
- Delivered comprehensive training sessions to reduce user errors and improve client satisfaction ratings.
- Conducted regular virus scans and performed preventive maintenance assessments on client servers.
- Managed system backups and ensured data security and preservation.

ZAVY TECHNOLOGIES, MALAYSIA - MAY 2021 - JUNE 2022  
DATA CLERK

- Made extensive Excel spreadsheets for the purpose of organising big datasets.
- Entered data by using specified protocols to enter numeric and alphanumeric data.
- Data was moved from hard copy formats into database management systems and computer files.
- Carried out routine backups to protect and preserve data.
- To lower the team error rate, patterns were identified and departmental inconsistencies were communicated.
- Format, page layout, line spacing, and other style criteria were adjusted.
- Verified dated data so that records may be updated as needed.
